

YOUTH REPORT:

Hindustani covenant church has taken a new initiative to develop the youth wing, where all the youth will be given number opportunities in education, skill development, as well as we will provide the microfinance loan which will help them to shape up their lives.

During the Covid many Youths lost their Jobs so HCC came with idea to help them with some microfinance. So we started collecting 1rs per day from each person and we gather some amount and some we collected from different churches Of HCC today we could able to help this people for the loan and they are surviving with this small help.

HCC Bhakli:

HCC youth association helped three youth in Bhalki to start new business this business has changed their social and economic status community,

Bhagirathi is nomadic and come from the very poor back ground couple of year back this family came to the lord and continued to attained the church.

As she lost her job as labour in building construction line during covid, she had very big question to take care of her aged parents, Bhagirathi's family slept many nights with food. to have a onetime meal for family was very big question for her. In such Situation HCC pastor guided her and helped her with Rs 30000 to start new business, where she goes door to door and sales the Neckless, earrings, finger ring, needles, and some plastic toys.

From last three month Bhagirathi earned Rs 4000 to 6000 as profit out that she pays monthly Instalment Rs 2000 regularly. This helped has brought the tremendous change in her family none of them slept without food, even she could able to open a new bank account where she can save money for her future, even she is able to help her parents for her regular medical check-up.

Bhagirathi and family show gratitude to HCC youth association for given a new hope and direction in her life.

Shop at Your Door Step:

Mr Ganga is the regular youth in HCC bhlaki during the Covid he lost his uncle on whom entire family were depended. In such situation Ganga is the only elderly person in family with his mother. He shared that he would like sale the house cleaning powder to take care of his family. Rev Satish guided and provided Rs 40000 as loan with help of HCC youth association. Out that money he bought a used motorbike for Rs 20000 and rest amount he used to buy a material like cleaning powdered, washing powdered, brooms, mats etc.

In last two month Mr Ganga has earned Rs 7800 out that he has paid his monthly instalment Rs 3500, and helping her mother with some money to take care of family.

This is an another new start for him and his family since they lost their hopes. Ganga's Family is appreciating contribution of HCC Youth association for helping them in their hopeless situation

HCC Aurangabad:

Mr Akash is regular youth of HCC Aurangabad. He has finished his Mechanical engineering, during the lock down his company gave him break by offering one moth pay in advance. Akash was completely helpless to take care of his pregnant wife, and run the family in challenging situation, with help of Rev Ashish a pastor from HCC Aurangabad he approhed to HCC youth Association for loan with small proposal of Swing. with the one and half years of agreement HCC provided him Rs 50000 as loan.

With this amount he bought he registered his small workshop, and bought the tools and raw material. Within month of time he has manufacture almost twenty Hammock swing and started sailing them on road side. In last four months Mr Akash has 27000 out that he has paid his monthly instalment regularly even paid the rent for his house, in rest of the money was great help for his wife's delivery. Mr Aksah is thankful for grateful for HCC for stetting his business taking care of his family when there was no one was with him.

HCC Daund

Mr Moses is regular member of HCC daund during the lock down he lost his driving job so he could not able to pay the rent of his house his family was completely disturbed he decided to go to the another city for job but which was impossible since entire family was depend on him if he would have move out from the town it would have a big challenge for his family his wife would have miss the job even children would face the problem for schooling.

Here Mr mosses thought he his housing problem will get solve he can stay in same town and search another job too. He met to HCC pastor in daund and applied for the Housing

loan. with the consideration and minimum interest rate HCC Youth Association Provided him Rs 150000 loan for two years. With his amount Mr mosses started his house construction and side by side he searched the another job in same town as driver, even his wife got the job as nurse in same town.

This was a miracle for the mosses' family, today entire family settle and Mr mosses got the job for Rs 15000 for a month and his wife earn Rs 10000. Out of their entire income they 10000 as monthly instalments for the loan.

Today entire family is thankful to HCC youth association for settling their life and

saved them from the scattering.

Beauty Parlour:

Ms Pooja is the Member of HCC Daund during the lock down she lost her job and which big shock for entire family. In such situation she needed to take care of her parents and children. she searched the job in same town but due to lock down there wasn't any possibility. So she approached to pastor and asked for the help. Looking at her situation

and family condition HCC youth association decide give the loan Rs 20000 from the interest they received from other loans.

With small amount she started a beauty parlour in home where she decided to trained the young girls and provide beauty services to women.

With two months of time she started earning 3000 to 3500 as basic profit from the beauty service and even she takes the classes for the young which give her Rs 600 from each girl for the month. This was great start for her family so they can sustain even she don't get any job in future.

Ms Pooja is thankful for this help she had dream to start her own beauty parlour, and she never thought that it will come true in this difficult situation of Covid.
