

IT IS EASY TO SUPPORT THE WORK WE DO TOGETHER!

There are many ways to support your church financially. The easiest way is to give an offering via the 'kyrkoavgift'. The church fee is taken from your taxes, with, of course, your prior consent. It is a great way to give money directly to your church, which enables each church to more efficiently plan its finances.

1% of your annual income

To sign up to the church fee and give 1% of your annual income to your local church and Equmeniakyrkan you need to give your consent. Thereafter, the tax will be taken from your taxes in the next calendar year.

A direct gift to your church

The church fee is distributed so that the largest percentage (68%) goes directly to the church of your choice. On top of that, 19% goes to congregational development within the denomination and 10% goes to church planting. The final 3% is the administrative cost of operating the church fee program.

Member of another denomination?

Members of Svenska Kyrkan (or another denomination with compulsory church fee) can still give their church fee to Equmeniakyrkan either by removing their membership from the other denomination, or by giving a double church fee. Find out more and get help at equmeniakyrkan.se

Burial tax (begravningsavgiften) is already paid to the Swedish tax authorities

As a Swedish resident, you already pay a compulsory burial tax to the Swedish tax authorities. This means that you always have a right to a burial and burial site. Churches within Equmeniakyrkan can arrange a funeral service, regardless of whether you are a member or not.
